CEILING SOLUTIONS

Partnership Products Portfolio

LIGHTING + CEILING INTEGRATION

This is how
perfect works

A Partnership That Makes The Impossible, Possible

Ceiling and lighting integration is at its best when two premiere companies collaborate for perfection. Always looking for ways to raise the standard in product performance and design aesthetics, **USAI® Lighting** and **Armstrong® Ceiling Solutions** offer architects, designers and contractors solutions to integrate recessed downlights with ceiling systems – seamlessly with repeatable precision every time.

Lighting designers and architects now have all of the important tools they need with complete solutions available across the **USAI® Lighting** and **Armstrong® Ceiling Solutions** product lines, while also satisfying a visual aesthetic that has not been possible in the past. Explore the possibilities.

How It Works

Connect for 4" TechZone®

The Perfect Fit. Certified by Armstrong® Ceiling Solutions for Fit and Finish, USAI Connect® is the ideal solution for seamless integration with 4" TechZone ceiling systems.

BeveLED® 2.2 for 6" TechZone®

BeveLED 2.2 can be used for **standard installations** for 6" TechZone.

Trimless Acoustical Lighting + Center Cut Panels

Armstrong Ceiling Solutions’ precut ceiling panels are designed exclusively for perfect placement of USAI’s BeveLED® Family’s recessed, LED light fixtures to create a consistently clean, trimless finish with a drywall appearance.

Making the Impossible Possible

Traditionally, acoustical ceiling panels are manually cut and require trimmed recessed fixtures to cover up jagged edges. Armstrong’s factory-prepared, center-cut panels paired with USAI’s snap-in mounting system provide for perfect lighting and ceiling integration every time.

TRADITIONAL OPTION for Acoustical Ceiling Panels

NEW Standardized Integrated Solutions

Easy 3-Step Installation

1 Place Precut Panel Into Grid 1" Cutting + Waste Eliminated

2 Place Fixture with Snap-In Mounting System - Seismically Rated Self Leveling + Centering

3 Insert USAI's Trimless Acoustical Trim

= Perfect Fit Every time Flange Eliminated

Perfect Every Time

Engineered for precision and ease.

- Perfect Precut Panels
- Perfectly Centered Light
- Perfectly Aligned Installation
- Snap-In Mounting System

15/16" Rapid Renovations

Elevate environments with Trimless Acoustical Lighting. Replace light fixtures and ceiling panels while using the building’s existing 9/16" and 15/16" grids for quick and easy renovations.
