Narrow 6°

Extra
Narrow 10°

Point Perfect®

USAI Lighting's Point Perfect® allows specifiers to illuminate with precision and perfect beam control. Explore a range of narrow 6° and 10° beams with apertures from 2"– 6". Engineered to deliver high intensity with minimal spill and maximum efficiency, Point Perfect beams are an ideal solution for focused accent lighting on artwork, architectural details, retail, high ceilings and other areas requiring drama and depth.
